

## ICPMA ANNUAL CONFERENCE

13th and 14th of June 2019

Lausanne - Switzerland

At the Olympic Museum  
on the enchanting shores of Lake Geneva

The International Construction Project Management Association is a unique worldwide not-for-profit organisation that spreads best practice in construction and project management throughout its membership. Initially founded in 2001 in Cannes, it is a modern and dynamic forum, providing opportunities to network with other professionals and academics and to engage in new business and research on a global basis. **Come and meet us this year in Lausanne, Switzerland.**
